# **Associate Vice President for Human Resources at the University of North Dakota**

Myers McRae Executive Search and Consulting is assisting the University of North Dakota with its executive search for the Associate Vice President for Human Resources. This HR administrator will serve as the Chief Human Resources Officer of the university. The Search Profile, which will provide information on the responsibilities, requirements, and complete application process for this position, will be available in January 2019. Applications and nominations are invited.

The state's flagship research university, UND enrolls more than 13,800 students across nine colleges and schools. The university currently employs 782 faculty and 1,706 staff members. UND is located in the city of Grand Forks, located on the eastern edge of the state, near the North Dakota-Minnesota state line. Grand Forks is known for its high quality of life and being a hockey town.
